

Kindred Baldwin Park Caregivers and Healthcare Workers Join CHEU!

“We are excited to have won our election with CHEU and are looking forward to working together with Kindred Baldwin Park RNs — who just won their election with CNA last week — to negotiate contracts that improve working conditions for all employees.”

— Paolo Tolentino, LVN, Kindred Baldwin Park

“It is with great pleasure we congratulate our coworkers on the impressive victory to join CHEU. We know we are stronger when we stand together. Our community, our patients and our working conditions will only improve as we negotiate contracts that improve working conditions for all.”

— Alice Sebastian, RN, Kindred Baldwin Park
