

Hospital Put on Notice: Graduate Nurse Contracts are NULL and VOID

13th Amendment

Section 1: Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States, or any place subject to their jurisdiction.

Section 2: Congress shall have power to enforce this article by appropriate legislation.

The glorious 13th Amendment to the US Constitution outlaws human slavery and indentured servitude.

As the sole and exclusive bargaining representative for Registered Nurses at Valley Regional Medical Center, NNOC-TX put the hospitals on notice that the Graduate Nurse Training agreements are not provided for in the Union Contract and are therefore not enforceable. The NNOC Union Contract is the agreement between the hospital and the Union for all bargaining unit RNs working at the hospitals.
