CNA-Sutter Lakeside Nurse Alert

CNA RN Membership Meeting

5pm to 8pm

Round Table Pizza on 11th St. in Lakeport

This will be a critical meeting to answer RNs questions and concerns, to discuss Sutter Lakeside Management's latest set of proposals, Sutter's announced lay-offs for SLH and the future of our contract campaign.

Sutter Health's (including Sutter Lakeside Hospital) refusal to drop their take-away contract proposals has left us no choice but to take strike authorization votes at all of the Sutter facilities remaining in bargaining.

We believe that this action was needed because of Sutter's unrelenting campaign to cut our RN contracts. Sutter needs to see that the RNs are serious about defending their contracts and fighting take-aways.

Your RN bargaining team remains committed, to winning a fair contract for SLH RNs. We are prepared to return to the bargaining table immediately, and to continue bargaining until we reach a new contract through good-faith negotiations. Our position remains-a fair contract with NO TAKEAWAYS!

CNA Registered Nurses at Alta/ Bates, Mills/ Peninsula, Eden/ San Leandro, Novato, Delta and Solano have also voted to authorize additional strikes, if necessary, to win fair contracts.

If you take one of us on, YOU TAKE ALL OF US ON!
