Eden Nurses Say They Will Strike Again for a Fair Contract

At well attended membership meetings at the Castro Valley campus this week, Eden RNs made clear that they are serious about their fight for a fair contract and are willing to strike Sutter Health again along with their colleagues at other facilities.

At meetings held Monday and Tuesday, RNs discussed the May 1st strike, strike compliance, and management distortions of what is really happening in bargaining and what they are willing to do next to fight management's take-away offer. Eden Nurses overwhelmingly responded that they will support additional strikes.

Membership meetings are being conducted throughout the Sutter system to get feedback from all the RNs. So far the reports are that RNs are more committed than ever to rejecting the bogus "last best and final" offers and continuing and the fight against Sutter.

RNs should watch for more information and plan on attending the next membership meetings.

We have secured rooms at the Castro Valley Campus for June 5th and 6th.

June 5, 2:30 – 5:00 p.m. – Hayward/San Leandro

**June 6, 7:45 a.m. - Castro Valley, 7:45 p.m. –

Please spread the word by sending this flyer to any Eden RN e-mail list you have.
