

SAVE OUR COMMUNITY HOSPITAL! STOP SUTTER GREED!

**RNs Condemn Sutter Plan to Close San Leandro Hospital and Call
for Community Town Hall Meeting to Oppose Any Sutter Action**

The California Nurses Association/National Nurses United opposes Sutter Health's plans to close San Leandro Hospital. The intended closure violates a pledge Sutter made in 2004 when taking over the facility. Sutter said it would maintain hospital care in San Leandro for 20 years. CNA RNs are calling a community town hall meeting to oppose Sutter's action and discuss ways to fight the closure.

RNs will host the town hall in San Leandro this Tuesday, May 1, at 4:00 p.m. at the Senior Community Center located adjacent to San Leandro Hospital.
